

# REASONS WHY YOU SHOULD HAVE A SAVING ACCOUNT

Opening up a saving account not only helps you earn interest on the deposited money but also is a safer option than most other investment alternatives. Here are certain distinct benefits of opening up a saving account at Greater Central Texas Federal Credit Union.

Helps you cover the unexpected costs that arise in an emergency situation.

Safest way to protect your savings since every account is federally insured up to some amount by NCUA (National Credit Union Administration).

Setting aside certain amount regularly discourages reckless spending and creates a sense of financial stability.

Depositing money in your saving account is an easy way to collect adequate amount for purchasing big ticket items.

The requirements related to opening up & maintaining a minimum balance in the account are quite less and reasonable.
