

What Is A Share Savings Account?

Share Savings Account is offered to the members of a credit union for helping them to store their funds securely.

1

Share savings account is an essential account that pays interest on the deposit made by credit union members.

MEMBERSHIP CARD

Members can open a Share Savings Account by submitting 2 forms of ID and an opening deposit.

2

3

Members can withdraw funds from their Share Savings Account at any time but there may be restrictions on withdrawals.

Balance in the Share Savings Account can also be used as collateral for the secured loan at the credit union.
