

# THINGS TO KNOW BEFORE JOINING A CREDIT UNION

Credit union membership brings along lots of privileges. The member owned organization dedicatedly works towards providing financial support to its members. Here we have listed things that one must know before joining a credit union.

## Not-for-Profit Organization

A Credit Union is basically a not-for-profit organization. It works as a cooperative for the mutual benefit of its members.

## Membership Benefits

Credit union members enjoy the privilege of being stakeholders. They have easy access to funds.

## Convenient Customer Service

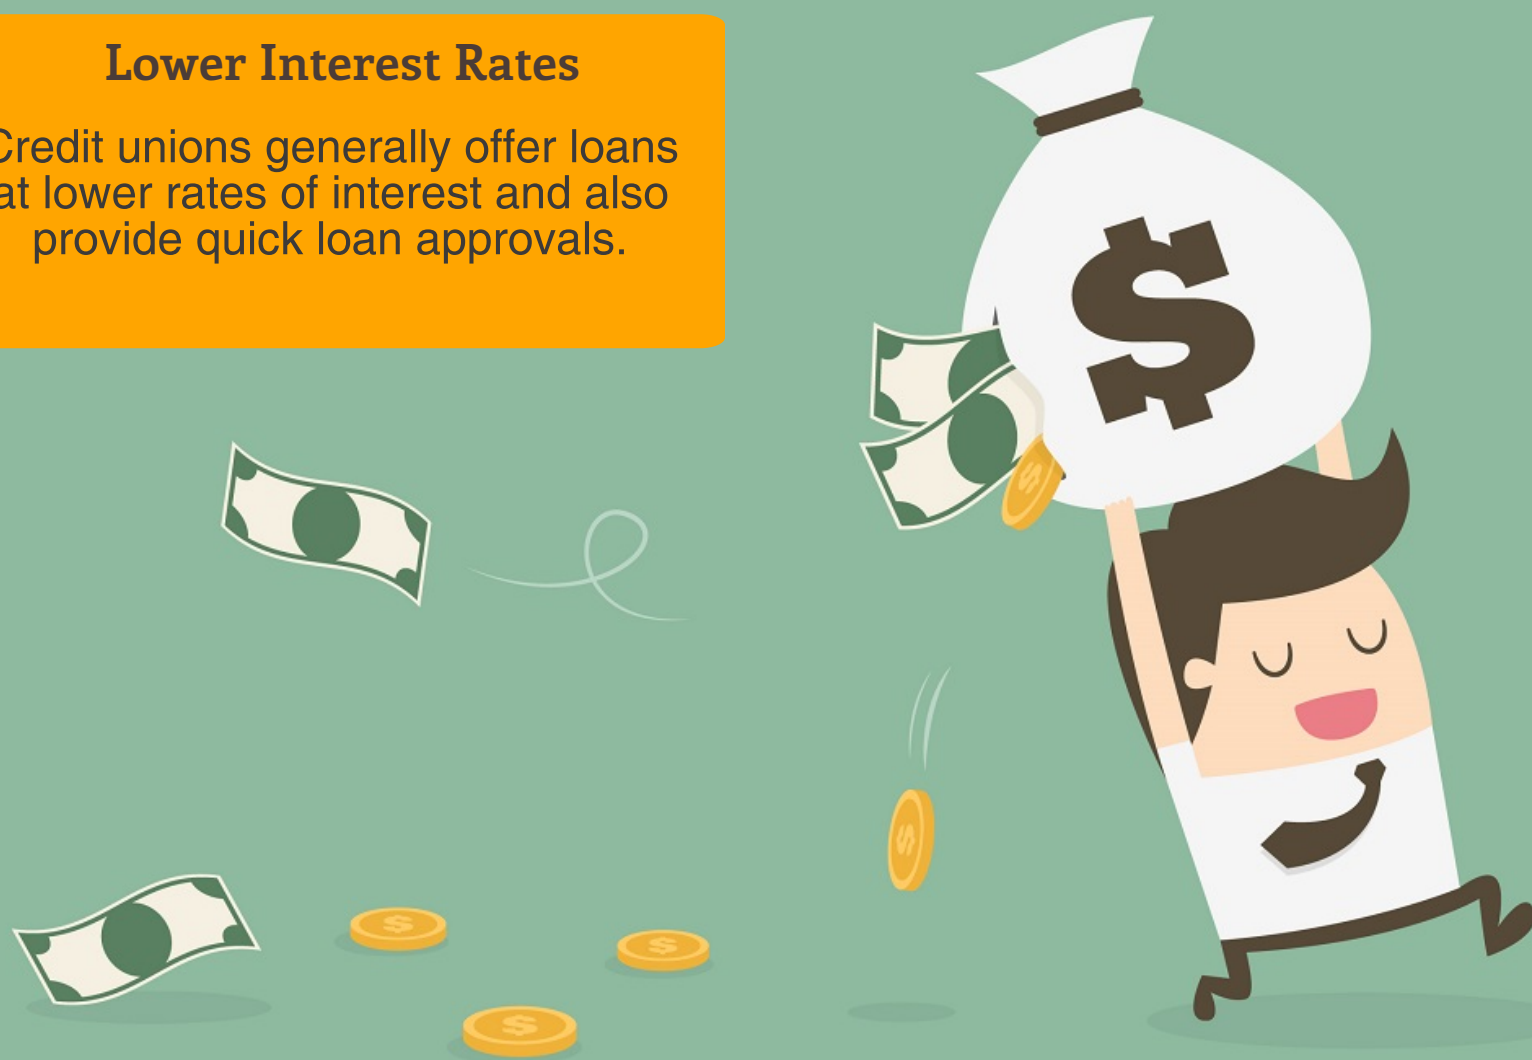

They are quite impressive in their customer services and respond to the needs of their members immediately.

## Easy To Join

You just have to fill the membership application and someone from the union shall help you in opening up your account.

## Lower Interest Rates

Credit unions generally offer loans at lower rates of interest and also provide quick loan approvals.
