

# Ways To Protect Your Credit While Shopping

Both retailers and customers look forward to sales; online as well as in stores. However, one can find scammers lurking around to take advantage of easy targets.

So, this year imply these simple tips while enjoying shopping:

**1**

Set up alerts for your credit card, so that you are notified of any activity or fraud credit extension requests on your card.

**2**

Limit your shopping to one or two cards instead of multiple cards to track the expenses easily.

**3**

Be alert while making payments at a store to safeguard your security information from people around you.

**4**

Check your credit card report regularly to notice unauthorized credit inquiries; if you suspect a fraud, report it immediately.

**5**

Make secure online payments, refrain from promotional emails and avoid saving your card information on the websites.

**6**

Keep a track of your digital and paper receipts. This will help track back a payment reflecting on your credit card.
