

# Why Choose A Credit Union?

When choosing a financial institution, it is important to know your financial requirements.

Reasons to choose a Credit Union are:

**1** Credit Unions are not-for-profit cooperatives. This means that they work to assist the financial wellness of their members.

**2** Profits generated by Credit Unions are returned to their members in the form of lower fees and member-oriented products/services.

**3** They offer a more personalized way of handling finances by streamlining loan procedures and giving a better chance to secure loans.

**4** Credit Union accepts deposits in the form of checking and savings accounts and each account is insured by the National Credit Union Administration.

**5** Credit Union offers a variety of personal banking tools such as online account services thus, providing unprecedented access & convenience.
