

Benefits Of Opening An IRA With The Credit Union

Individual Retirement Accounts (IRAs) are valuable savings tools and are excellent to supplement retirement funds.

Various benefits of opening an IRA with a credit union are:

1 Credit unions offer competitive rates as particular attention is paid to the member's personal financial needs.

2 An IRA account with the credit union is insured which secures the financial future of the member.

3 Members having an IRA with a credit union benefit from lower fees and other financial advantages.

4 Credit unions offer both a Roth and Traditional IRA, which gives the members a chance to select according to their financial situation.

5 There are increased contribution limits for members aged 50 years or older. Credit union IRA is safe and secure for such members.
