

How To Manage Money?

Effective money management creates a sense of security and confidence.

Here are some tips to manage money:

Set up a savings, checking and investment account.

Evaluate your current financial situation to make the right financial choices.

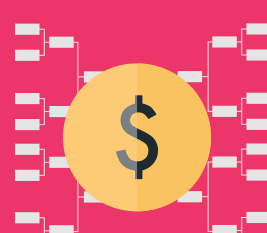

Plan your savings and expenses after considering all sources of income.

Set financial goals in tandem with your plans.

Assess your budget regularly for a clear picture of where you stand.

Fix an amount and schedule automatic transfer to your savings account.
